

Longview Pioneer Lions

100 Years of Service

You may have heard that the city of Longview Washington turned 100 years old in 2023. So did Longview Pioneer Lions Club! Pioneer Lions 100th Anniversary Celebration Gala was held November 30, 2023 at the Cowlitz County Expo Center at the county fairgrounds.

Dr. Patti Hill
Lions International President 2023

The evening's keynote speaker was Dr. Patti Hill, the president that year of Lions International. A visit from the Lions International President is a very big deal for every Lion! If you weren't there to hear Patti speak to the crowd of people who helped us celebrate that evening, you missed a real treat.

Guests from throughout the Pacific Northwest US and Canada and a little beyond came to catch up with old friends, hear great speakers, have a great catered dinner, and chances to win free, really good door prizes. But mostly the large crowd came to help us celebrate a century of the service

that Longview city founder and Lion Robert A. Long started more than 100 years ago. It was truly a grand evening!
